Know by all present ----- we, David, Joshua, John and William Welch, John Barbey and James Slaughter are firmly bound to John Withers of the County of Stafford, Planter, for 723L to be paid the said Withers. March 25, 1762.

Condition of above obligation: whereas Thomas Welch, late of Prince William County, Planter, was in his lifetime and at his death seized of a tract of land in the said county of Prince William but now in Fauquier, containing 746 acres, 100 acres of which the said Welch in his lifetime had contracted for with Thomas Withers, the brother of the above named John Withers, to whom it hath been since conveyed by David Welch the eldest son ~~and~~ heir at law of the said Welch and whereas the said Welch by his last will and testament, being dated April 30, 1752, among other things did give and devise the said land in words following: "Item: I give unto my six sons, the land I now live upon, till my son Benjamin Welch comes to age of 20 years and then the whole tract to be sold and the money to be equally divided among all my sons, as is then alive and the land to be sold the year after my son Benjamin Welch comes to the age of 20 -----" and whereas the aforesaid David, Joshua, John and William Welch, the four eldest sons of the said Thomas Welch, the testator (his two youngest sons ~~Benjamin~~ Daniel and Benjamin, who enlisted in the Virginia Regiment being absent) ---- did at the county of Fauquier, expose to sale the remaining part of the said tract, that is 664 acres --- the said John Withers offered 361L, the greatest price --- the four eldest, that is David, Joshua, ~~John~~ and William Welch, giving security, since there is a doubt that the said Benjamin Welch is 20 years old, etc.

## Comments.

If only the given name had been given in next below of wife of John Welch - we could either have definitely known whether he was the one we were in search of or eliminated him. If he were given, Eleanor would have to have been just 13 in 1756 according to her obituary.
